MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a. Business Environment

In FY 2016-17 the global economy showed signs of recovery with growth in demand from the developed countries in the second half of the year. Emerging markets, including India, had to face multiple challenges of rising current account deficit, depreciation of the local currency and additional pressure due to capital outflows.

Your Company's performance for the year 2016-17 has to be viewed in the context of aforesaid economic and market environment.

b. Industry Structure and Developments

The Company is engaged in the business of producing Sorbitol and Starch. Sorbitol is a water soluble polyhydric alcohol having sweet taste and high stability besides properties of plasticizing. It finds application as input material in various industrial sectors such as Tooth Paste, Pharmaceuticals, Vitamin-C, Cosmetics, Paper and Paints etc. Sorbitol and Starch industries in India are very much fragmented and scattered throughout India. In case of Sorbitol at present only four major players are there in South India. When it comes to Starch, nearly 50% of Indian Starch production comes from Gujarat where four major Starch Factories are located.

c. Opportunities and threats

The Starch Industry at time shown good future, the raw material availability at reasonable prices and cheaper imports of starch from the neighboring Countries will have an impact on the profitability of the Industry and Your Company is not an exception to it. The company has been facing the threat of import of Sorbitol.

However, your Company is likely to face competition from other competitors; there may be risks inherent in meeting unforeseen situations not uncommon in the industry. Your Company is aware of these challenges and is geared to meet them.

26th Annual Report 2016-2017

d. Out look

Revival of the financial position of the Company.

e. Risks and Concerns

The Company faces risk of lower realization in the event of cheap imports. Other risk faced by the Company is that Sorbitol is based on the agro commodity which is exposed to factors of Monsoon in the Country. Besides the factors mentioned above agricultural income, economic scenario, wholesale and consumer price level, impact of trade agreements with other countries and trade blocks etc. are some of the factors which affects the performance of the Company.

f. Internal Control Systems and their adequacy

The Company has designed an effective Internal Control System to balance the financial, operational, compliance and other risks and explore its business opportunities at the fullest to achieve its desired objectives.

g. Operational performance

This has already been discussed in this report.

h. Human Financial Resources / Industrial Relations

People are the most valued assets of the Company. They work individually and collectively contributing to the achievement of the objectives of the business. The relation between the employees and the Company remained harmonious and cordial throughout the year. Your Company's corporate culture and the vision and values help unite the workforce and provide standards for how your Company conducts the business. Your Company has successfully aligned human capital with business and organizational objectives. The emphasis has been on team work, skill development and development of leadership and functional capabilities of the employees. The Industrial relations remained cordial at all units of the Company.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
GAYATRI BIOORGANICS LIMITED

Report on the Financial Statements

We have audited the accompanying Financial Statements of Gayatri BioOrganics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Financial Statements based on our audit.

We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Basis for Qualified Opinion

Re: Note 2.20 Regarding financial statements being prepared on a going concern basis notwithstanding the accumulated losses amounting to Rs. 1,62,30,41,206/-, which has eroded the networth of the company, for the reasons stated in the said note, indicate the existence of material uncertainty that may cast significant doubt about the company's ability to continue as a going concern.

26th Annual Report 2016-2017

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matter described in the basis for qualified opinion paragraph, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of all pending litigations on its financial position - refer Note 2.21 to the financial statements.
 - ii. The Company did not have any material foreseeable losses relating to long-term contracts including derivative contracts.
 - iii. There are no amounts to be transferred to Investor Education and Protection Fund.

Annexure A to the Independent Auditor's report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Bio Organics Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting" issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting" (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control

26th Annual Report 2016-2017

stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2017 financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Re: Gayatri Bio Organics Limited

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) In respect of its fixed assets:

- (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to the information and explanation given to us, a major portion of fixed assets have been physically verified by its management during the year in accordance with a programme of verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of the assets. According to the information and explanations given to us, the discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
- (c) According to the information and explanations furnished to us, and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

(ii) In respect of its inventory

- (a) According to the information and explanations given to us, the Management has physically verified the inventory during the year. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on verification between physical stock and book records were material in relation to the operations of the Company and the same have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered by clause (76) of section 2 of the Companies Act, 2013. Accordingly, reporting under clauses (a) (b) and (c) of paragraph 3(iii) of the Order does not arise.
- (iv) According to the information and explanations furnished to us, the Company has not granted any loans, nor made any investments or given any guarantees or securities during the year to any of the parties specified in the Sections 185 and 186 of the Companies Act, 2013.
- (v) According to the information and explanations furnished to us, the Company has not accepted any deposits from the public. Hence, reporting under the provisions of paragraph 3(v) of the Order does not arise.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub - section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues during the year under report:
 - (a) on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, sales tax, value added tax, duty of customs, service tax, cess and other material statutory dues have not been regularly deposited during the year by the Company with the appropriate authorities and there have been serious delays in large number of cases.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, cess and other material statutory dues were in arrears as at 31 March 2016 for a period of more than six months from the date they became payable
 - (b) According to the information and explanations given to us, there are no material dues of income tax, sales tax, service tax and Value added tax which have not been deposited with the appropriate authorities

26th Annual Report 2016-2017

on account of any dispute. However, according to information and explanations given to us, the following dues of Customs duty and duty of excise have not been deposited by the Company on account of disputes:

Name of the statute	Nature of dues	Amount (Rs)	Period to which the amount relates	Forum where dispute is pending
The Customs Act, 1962	Customs Duty	37,21,553	Financial Year 1994-95	CESTAT-Bangalore
Central Excise Act, 1944	Excise duty including penalty	8,52,42,349	02/2010 to 08/2014	CESTAT-Hyderabad
Value Added Tax Act and associated VAT Rules	Excise duty including penalty	66,64,610	09/2011 to 05/2014	AP VAT-Hyderabad

- (viii) In our opinion and according to the information and explanations furnished to us, Rs.2,272.75 Lakhs is outstanding principal payable. As at 31.03.2017 is Rs.872.75 Lakhs is overdue towards Principal repayment and Rs.739.46 Lakhs is overdue towards interest in respect of SICOM Term Loans I&II and III. (Refer Note 2.9.3.1 and 2.9.3.2).
- (ix) According to the information and explanations furnished to us, the Company has, during the year under report, applied the monies raised by it through term loans for the purposes for which they were raised. The Company did not make any initial public offer or further public offer of any of its securities during the year under report.
- (x) According to the information and explanations furnished to us, no fraud by the Company, nor any fraud on the Company by any of its officers or its employees has been noticed or reported during the year under report.
- (xi) According to the information and explanations given to us and based on our examination of the records of the company, the Company has, during the year under report, paid / provided for managerial remuneration in accordance with Section 197 read with Schedule V of the Companies Act 2013.
- (xii) In our opinion, reporting requirement under Paragraph 3(xii) of the order does not arise since, according to the information and explanations furnished to us, the Company is not a Nidhi Company.
- (xiii) According to the information and explanations furnished to us, the transactions entered into by the Company with its related parties are in compliance with the requirements of the provisions of Sections 177 and 188 of the provisions of the Companies Act 2013.
- (xiv) According to the information and explanations furnished to us, the Company has made preferential allotment of shares by converting the 20,00,000 6 % cumulative preference shares of INR 100 each into 1,70,06,802 equity shares of Rs. 10/- each at a premium of Rs.1.76 per share.
- (xv) According to the information and explanations furnished to us, the Company has not entered into any agreements for acquisition of assets from or for transferring its assets to its directors, or the directors of its subsidiary companies or persons connected with such directors, for a consideration other than cash, during the year under report.
- (xvi) In our opinion based on the information and explanations furnished to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934.

1.2 Use of estimates

The preparation of financial statements in conformity with Indian Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenue and expenses for the year. Actual results could differ from those estimates. These estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Current and non-current classification

All assets and liabilities are classified into current and non-current

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within 12 months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

1.4 Inventories

Inventories which comprise raw materials, work-in-progress, finished goods and stores and spares are carried at the lower of cost and net realisable value.

Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The methods of determining cost of various categories of inventories are as follows:

Raw materials	First-in-first-out (FIFO)
Stores and spares	Weighted average method

Work-in-process and finished goods- FIFO and including an appropriate share of production overheads

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

The net realisable value of work-in-progress is determined with reference to the selling prices of the related finished products. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where the material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

The comparison of cost and net realisable value is made on an item-by-item basis.

1.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably.

Sale of goods

Revenue is recognised when the significant risks and rewards of ownership have passed to the buyer, which generally coincides with the dispatch of goods and is stated net of returns, rebates, sales tax and applicable trade discounts and allowances.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.6 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition less accumulated depreciation. The cost of fixed assets includes the purchase price, taxes, duties, freight (net of rebates and discounts) and any other directly attributable costs of bringing the assets to their working condition for their intended use. Borrowing costs directly attributable to acquisition of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Where the cost of a part of an asset is significant to the total cost of that asset and its useful life is determined to be different from the useful life of the remaining asset, depreciation on such part is computed in accordance with its respective useful life.

1.7 Foreign currency transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date, not covered by forward exchange contracts, are translated at year end rates. The resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

1.8 Investments

Investments are classified as Non-Current and Current. Long term Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value.

1.9 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit plan

The Company's gratuity benefit scheme is a defined benefit plan, The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs is deducted. The calculation of the Company's obligation under this scheme is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from this defined benefit plan immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

Compensated absences

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilised wholly within twelve months after the end of such period, portion of the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

1.10 Leases

Assets taken on lease where the Company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term.

1.11 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed

converted as of the beginning of the year, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares). In computing dilutive earnings per share, only potential equity shares that are dilutive and that either reduce earnings per share or increase loss per share are included.

1.12 Income tax

Income tax expense comprises current tax and deferred tax charge or credit. Income-tax expense is recognised in the statement of profit or loss.

Current tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred tax

Deferred tax charge or benefit reflects the tax effects of timing differences between accounting income and taxable income for the year. The deferred tax charge or benefit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written-down or written-up to reflect the amount that is reasonably/virtually certain to be realised.

The break-up of the deferred tax assets and liabilities as at the balance sheet date has been arrived at after setting-off deferred tax assets and liabilities where the Company has a legally enforceable right and an intention to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

1.13 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that any asset forming part of its cash generating units may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of profit and loss.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the reassessed recoverable amount subject to a maximum of depreciated historical cost.

1.14 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit / (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated. Interest capitalised as part of fixed assets are disclosed under financing activities.

1.15 Borrowing costs

Borrowing costs that are attributable to construction of a qualifying asset are capitalized as a part of the cost of that asset. The amount of borrowing costs eligible for capitalisation are determined as the actual borrowing costs incurred on that borrowing during the period less any income on the temporary investment of those borrowings. Other borrowing costs are recognized as expenditure in the year in which they are incurred.

1.16 Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of an obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present

obligation that the likelihood of outflow of resource is remote, no provision or disclosure is made.

Onerous contracts

A contract is considered as onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

2.1.2 Rights preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time subject to payment of dividend to preference shareholders. The voting rights of an equity shareholder are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

2.1.3 Rights preferences and restrictions attached to 6% cumulative redeemable optionally convertible preference shares

The Company had issued 38,38,135 , 6% cumulative redeemable convertible preference shares of INR 100 each to the promoters on 12 September 2007. Out of these shares, 752,500 shares were converted into equity shares of the company after the expiry of 36 months at par on 10th November,2010. The remaining 3,085,635 shares shall carry the option of being converted at the option of the holder into ordinary equity shares of the Company after the expiry of a period of sixty months at a price to be determined in accordance with the then prevailing SEBI (DIP) guidelines or can be redeemed by the Company at par after the end of year 5,6,7 and 8 from the date of allotment.
